STATINTL

On the occasion of your leaving this organization, I wish to commend you for the outstanding performances you have rendered to this Agency. You have organized and operated our Military Personnel Division in a superior manner.

In fulfilling your responsibilities with the Agency, you have effectively selected and pressured large numbers of military personnel to serve in many key positions throughout the organization. You have established and maintained effective liaison with representatives of the services to the mutual benefit of all concerned. Through your initiative, formal briefings on this organization and on our use of military personnel have been held for senior representatives of the services. These briefings are paying large dividends. Your personal visits to the field, often at considerable inconvenience to yourself, have been an important factor in maintaining a high morale and maintaining an efficient administration.

On behalf of the Agency and your many friends and colleagues, it has been a genuine pleasure to have been associated with you during your last years of service in the U. S. Army. You are commended for a job well done. A copy of this communication will be placed in your official records.

Sincerely,

*S/*

STATINTL

On the occasion of your leaving this organization, I am pleased to congratulate you personally for four years of outstanding work. I have observed the superior manner in which you have organized and operated the Military Personnel Division.

During your tour with us you have procured large numbers of people from the armed services. You have established and maintained effective liaison with representatives of the services to the mutual benefit of all concerned. Through your efforts, formal briefings on this organization and our use of military personnel were held for senior representatives of the services. I am confident that these briefings have paid large dividends.

Your program of periodic visits to the field has been an important factor in sustaining morale. I know from personal experience that those field trips are made at considerable inconvenience to the traveler.

In summary, it has been a genuine pleasure to be associated with you during your last years of service in the United States Army. I take great pleasure in presenting this certificate to you in recognition of your 30 years of honorable service.

Sincerely,

C. P. Cabell
